

TWO BODIES IN WATER,  
ONE A BOY, OTHER A MAN.Police Unable to Identify Either  
After Recovery From  
Harbor and River.

The police of Harbor A Squad found two bodies in the water about the city today. Neither has been identified.

One was the body of a boy, about eight years old. It was found off Pier 6, East River. The child was four feet six inches tall, weighed 45 pounds, had black hair and wore a blue striped outfit, blue knee trousers, black lace shoes and stockings, and a red and blue nightgown. The body was taken to Harbor A station.

The other was a man, about forty-five years old, six feet tall, and weighing 155 pounds. This body was found off Governor's Island. It had a wide-brimmed hat on the water some time. The man was dressed in a canvas coat, black mixed vest, black sweater, blue serge trousers,

blue overalls, a cotton outing shirt and two black belts and black lace shoes. He wore a buckskin glove on his left hand.

## A Simple Way to Make Soft Soap

While its use is not general, some housewives prefer for certain cleaning purposes to use soft soap, or soap in paste form, believing it more convenient or economical than ordinary soap.

Gold Dust washing powder can be converted into the finest soft soap by dissolving it in hot water in the proportion of 4 heaping tablespoons of the powder to each quart of hot water. When cool, it is ready for use.

Gold Dust works more thoroughly and quickly than soap or other cleansers.

RENGO BELT  
Corsets

are the first and only corsets made exclusively for **STOUT and MEDIUM** women and intended for no other type of figure—that has achieved a country-wide and wonderful success.

STOUT and  
MEDIUM

figures have always found it well nigh impossible to secure a corset that would give support of the abdomen, permit of free, easy and graceful carriage and give perfect style.

Our invention of the **Rengo Belt** idea of tailoring holds the figure firmly, yet comfortably, and is the leading idea of corset making for stout women.

All **Rengo Belt** corsets are extra strong and are boned with **DOUBLE** watch-spring steels, **GUARANTEED** not to rust.

## For Discriminating Women!

Quality and character is the first appeal in this advertisement—the fact that it couples very low prices with quality and character is merely a happy coincidence.

It is nearing the end of our selling season and, as is our custom, we gather about 1,000 choice tailor-made suits, that represent the most modish things in the Simpson Crawford stocks, and mark them as follows:

\$25 to \$39.75 Tailored Suits \$19.50 to \$24.50  
Suits To-morrow . . . \$19.50 to \$24.50

These Suits are not copies of higher priced suits; they are suits that actually sold in our own stocks at prices quoted. They include some of the most popular of the season's fabrics and models. They reflect the very best taste of Paris and American dress artists. They are the kind of tailored suits that fit properly and give a woman an air of distinction.

## The \$25 to \$39.75 Suits at \$19.50

Here is a comprehensive assemblage of the season's best models, in plain tailored and elaborately trimmed effects. New cutaway styles are included and soutache braid, satin, laces, silk braids, ornaments, etc., are used for embellishment. Every material favored is shown, including Whipcords, Men's Wear Serges, Taffetas, Foreign Mixtures, in all the season's shades. Every suit has the new model skirt and is richly lined with Peau de Cygne in self or contrasting shades.

## The \$42 to \$59.50 Suits at \$24.50

The woman who wishes a suit that is decidedly different from what one is usually shown—that is delightfully distinctive—yet in excellent taste—will find her heart's desire in this assortment. Description is impossible, and one must marvel at the human ingenuity, upon viewing the many striking creations—it is almost bewildering.

Every material that smart women demand—Chameleon Taffetas, Whipcords, Two-tone Serges and many imported novelties.
